

The logo for EPIC features the word "EPIC" in a bold, black, sans-serif font. Above and below the text are two thick, black, curved lines that form a smiley face. The entire logo is centered within a large, thin-lined circle. Surrounding the circle are several technical-style drawings of jewelry pieces: a ring with a wide, textured band and a large, round, faceted stone; a pendant with a wide, rectangular top and a complex, multi-lobed base; and several circular components, some with intricate internal patterns and others with a gear-like outer edge. Arrows point from these drawings towards the central logo.
